

Title:

Abatement Technician or Supervisor

Company Introduction:

Badger Remediation is an industry leader, operating at the highest standard of care for more than 40 years. The specialists at Badger Remediation are specialized in asbestos abatement and environmental remediation, working with commercial clients, medical professionals, law enforcement/emergency service workers, insurance companies, and property owners.

Job Description:

We are looking for a full-time Abatement Technician or Supervisor who will be responsible for acting as a crew leader and laborer to properly mitigate and abate state and federally regulated building materials. A person in this role will be working on-site performing demolition and other tasks according to the scope of work and follow any and all necessary safety precautions. An ideal candidate demonstrates a general knowledge of environmental services, has experience as an abatement technician or is willing to learn and catch on quickly. This role is meant for someone who can work thoroughly and efficiently.

Top Benefits and Perks:

As a team member at Badger Remediation, you will enjoy:

- Health, Vision, Dental, Life, and Long-Term Disability insurance
- PTO & paid holidays
- 401K with company match
- 24/7 access to on-site fitness center with personal trainer during business hours
- Cell phone & access to a company vehicle for transportation to job sites
- Mentorship program to grow within the company

Location:

Badger Remediation is located in Wauwatosa, WI. This position requires the candidate to report in-person and travel to job sites within Southeastern Wisconsin.

Requirements:

- High School degree or equivalent.
- Construction, abatement, or restoration experience preferred, but not required.
- Proficient in technology usage such as cell phone.
- Commitment to Customer Service.
- Work after hours and weekends when required (typical working hours 0700-1550).
- Display strong collaborative ability with peers and managers.
- Ability to stand on your feet for long periods of time and lift 50lbs frequently.
- Must be able to pass a background check and have a valid driver's license with a clean driving record.
- Fluent in English (required). Bilingual in English and Spanish is a plus, but not required.
